

The word diamante comes from the Italian word “diamond” because the poem is shaped like a diamond. The diamante poem has the format of: one noun, 2 adjectives that describe the noun, 3 verbs that describe the noun, a four word phrase, another 3 verbs, two adjectives and another noun is the synonym of the first noun.

Brainstorm: harmony, unity, thoughtful, reliable, understanding, solidarity, sincere

Allyship

Thoughtful, sincere

Help, support, respect

Always aiding each other

Assist, comfort, encourage

Reliable, understanding

Friendship
